

# FELLOWSHIP

The word “**fellowship**” used in the New Testament is the Greek word “**koinonia.**” It means things like “joint participation, community, partnership and participation.”

The Merriam-Webster Dictionary defines “fellowship” as “a company of equals or friends; community of interest, activity, feeling or experience.”

I like to look at it as, “**doing life together.**”

## ▷ Question #1:

Why is fellowship important?

### ◆ **With God:**

Using God as an example, explain how He is in “fellowship” with Himself (the Trinity). Why does He say in Genesis 1:26; “Let US make man on OUR image, in OUR likeness . . . ?

How are we to have fellowship with God?

Why must this come first before we can have healthy godly relationships with one another?

### Some key verses (with God):

- Romans 12:1-2
- Philippians 3:10
- 1 Corinthians 1:9-10
- 1 John 1:3-7

### ◆ **With one another:**

- Discuss the dangers of not being in fellowship with one another.

## ▷ Question #2:

What is the difference between fellowship and associating with others?

For example, in 2 Corinthians 6:14-15, we are commanded not to be “yoked” with unbelievers. So, how are we to be in the world and not of the world? What does it mean to be “yoked?”

## ▷ Question #3:

How do we set appropriate “boundaries” in our relationships to avoid intimacy (being yoked) with the wrong people, especially with loved ones or those we have grown up with or work with? (Rom. 12:2)

***We love to the extent that we are willing  
to be vulnerable and inconvenienced!***
