More questions to consider during your devotional time with God:-

- 1) What are possible consequences of believing a lie?
- 2) Can we trust our feelings to determine the truth?
- 3) What happens when the meaning of words are changed; such as love, marriage, family, gender, Christianity, etc.
- 4) If enough people (the majority) believe something, does that make it true?
- 5) Can what is true today not be true tomorrow? (see question 2 above)
- 6) What often happens if a lie is told enough times?
- 7) What happens if we do not pass truth down to the next generations.
- 8) If truth does not exist, then can “good” and “evil” exist? Why or why not?
- 9) How does the truth set us free from the lies that we believe? Give examples.
- 10) What happens if the definition of a “man” and “woman” is not based on biology (God’s design / truth) but on the feelings of the person?
- 11) What harm has been done by believing that human life begins at birth?
- 12) How can there be such amazing order and design in the universe by accident?

*Jesus is the Truth; Jesus is God;
God never changes therefore Truth never changes.
(John 14:6; John 10:30; Hebrews 6:16-18)*
